NOTES AND ORDERS

1) Toll bars are proposed to be put up for the benefit of the tolls on the Provincial & Dy roads only which are maintained from Manl funds -

Town
ml Revennes If every Municipality in the State tells about Collecting tolls traffic will be well nigh impossible The levying of Cesses instituted under the ml Regn but certainly it is Expedient to permit all Municipalities to levy tolls, to augment their General Revenue, is yet a point to be considered In Bombay the practice is reported to have been found as FC B We have not got any rule which lays down the distance that should separate one tollgate from another It is however stated that there is now only (one) tollgate in the Chitaldroog Dist (Ag's letter dat 3 Sept 18 Ft W)
